

RAIL WORKERS WARN OF INDUSTRIAL REVOLUTION

Matewan Defendants Acquitted by Jury

TRIAL RESULT OF MATEWAN FIGHT LAST MAY 19TH

Fight Followed Eviction of Miners from Company Houses.

By Associated Press Leased Wire
Williamson, W. Va., March 21.—The sixteen defendants tried in connection with the death of Albert C. Felts, who was killed during the Matewan gun fight following evictions of miners last May 19 were today found not guilty by a jury in the Mingo county circuit court.

The defendants were formally discharged by Judge R. D. Bailey, presiding, but were remanded to jail pending bond arrangements on 6 other indictments charging the men with having been implicated in the death of 6 other private detectives killed with Felts. The trial consumed 46 days.

News of the acquittal was shouted to a large group of miners standing at a window outside the courtroom and the announcement was received with enthusiasm.

Wives and relatives of the Matewanians stood on the porch of the county jail and received their kin with open arms. Williamson residents received the verdict quietly and there were no demonstrations aside from an outburst of cheers from the miners who had stood vigil since early morning.

Strike On Since 1919.
A coal miners' strike has been in progress in Mingo county coal fields since July, 1919. Organizers of the United Mine Workers Union sought to unionize the districts both in Mingo county and in Pike county on the Kentucky side of the border. Nearly a year later the Stone Mountain Coal Corporation engaged the Baldwin Detective Agency to evict striking miners' families from the company houses in which they were living. On May 19, 1920, a party of private detectives, headed by Albert C. Felts, carried out the evictions. After a day's fight with argument between the operatives and city officials the party finished its work and prepared to depart from Matewan on an early evening train.

Ten Mortally Wounded.
On leaving their hotel Albert Felts and his men stopped in front of a hardware store. The leader and Mayor C. C. Testerman engaged in a conversation and while they stood close to each other talking a shot was fired. In an instant rifles and pistols rained from all directions and before the shooting ended Felts, Testerman, six other members of the Baldwin Felts party and two other residents fell mortally wounded in the main street of the village.

Twenty-three men of Matewan were indicted by a grand jury at Williamson in connection with the death of Felts. At the outset of the trial, which began on January 26, the cases against several of the defendants were dismissed and as the taking of testimony progressed others were discharged on motion of the prosecution. When the jury took the case the fate of only sixteen of the original defendants remained to be determined. One of these to await a verdict was Ed Hatfield, Matewan's chief of police and around whom a major portion of the testimony was entwined. During the closing arguments of counsel reference was made to Hatfield's marriage to the widow of Testerman two weeks after the latter was killed. Mrs. Hatfield has been in constant attendance at court since the trial began.

Chase for Johnson Saturday is in Vain
A wild rumor and a wild ride failed to bring about the detention or arrest of William Johnson, who was believed to have burglarized his former boarding house in Amboy Saturday afternoon. It was reported at the office of Sheriff Schoenholtz that Johnson's whereabouts were known and he was requested to come at once and take the man in custody.

The sheriff went to Amboy, where he picked up a weak trail, continued south to Sublette, Mendota, LaSalle, Ottawa and finally abandoned the trail at Oglesby minus his prisoner or any trace of him. Parties in Amboy believed him to be in one of these places and accompanied the sheriff on his fruitless chase.

Attorney William Leach, Fred E. McCarty, Ralph W. Ruckman and F. J. McCreary of Amboy were business callers in Dixon this morning.

YOUNGEST CABINET HOSTESS

The youngest of the new cabinet hostesses is Miss Ailsa Mellon. She is 18 years old and will not only be a cabinet debutante during her first season in Washington, but will act as hostess for her father, Andrew Mellon, secretary of the treasury.

Fair tonight and Tuesday; colder to night; lowest temperature about 24; moderate fresh northwest winds.

Illinois—

Fair tonight and Tuesday; colder to night; freezing temperature.

Wisconsin—

Fair tonight and Tuesday; colder to night.

Iowa—

Fair tonight and Tuesday; colder in east and central portions tonight; rising temperature Tuesday.

LOCAL TEMPERATURE.

The range of the local temperature during the 24 hours ending at 8 p. m. Sunday was between 74 and 67 degrees above zero. The maximum temperature during Saturday was 82 degrees above.

Says But Few Reds Deported from U. S. Were Really Guilty

By Associated Press Leased Wire
Boston, March 21.—Louis F. Post, former Assistant Secretary of Labor, referring in an address here to the roundup of alleged radicals early in 1920, asserted that 3,000 were arrested and 500 deported, and of the 500 no more than 100 were personally guilty of anything except conscious membership in the communist party.

Mr. Post criticized the Department of Justice for employing private detective agencies in rounding up the alleged radicals.

"Wholesale arrests were made without warrants in violation of every principle of the ideals of the American nation, and these ideals are worth preserving," he said.

Largest Convention of Oil Men is Open

By Associated Press Leased Wire
Kansas City, Mo., March 21.—Oil men from many parts of the United States are here today for the National Petroleum Congress which opened today for a four-day meeting. According to John D. Reynolds, executive secretary of the American Independent Petroleum Association, 1,000 guests will attend the sessions, the largest convention of oil men ever held, he said.

Representatives of the four branches of the industry—production, refining, selling and distribution—will hold their annual meetings here in conjunction with the congress.

Mastoid Operation Without Anesthetic

A Beck, producer of pure brood chickens of Brookville, returned home last week from the Katherine Shaw Bethel hospital following a recent operation. Dr. Beck's operation was unusual, as he was awake during the operation.

NEW ATTACK ON DRY LAW MADE IN HIGH COURT

Validity is Questioned on Entirely New Provision.

By Associated Press Leased Wire
Washington, March 21.—An entirely new attack on the validity of the prohibition amendment, based upon the requirement that it be ratified within seven years, was made today in the supreme court.

The attack was made in a brief filed by counsel for J. J. Dillon of San Francisco, charged with violation of the prohibition enforcement act. Dillon is seeking a writ of habeas corpus.

The provision attacked was offered first by then Senator Harding when the amendment was being proposed in the Senate.

The section making the entire article inoperative unless ratified within several years, the brief asserts specifically violates article five of the constitution which gives congress no power to impose a limit on ratification or to "otherwise attempt to control what the legislatures of the states shall do in their deliberations."

The brief quoted Senator Harding in offering the provision as having "clearly stated that his vote for the resolution was conditioned on this provision being approved," and quoted Senator Borah as having called attention then to the unconstitutionality of the section.

Coast Guards Save 48 After Battle of Five Hours of Lake

By Associated Press Leased Wire
Milwaukee, March 21.—Battling for five hours against wind, fog and high seas, the Milwaukee coast guard crew and the tug Conrad Starke released the Pere Marquette line steamer No. 8 and removed forty-eight persons from jeopardy, after the boat had grounded yesterday on a sand bar, two miles north of Fox Point.

A southwest wind blowing at the rate of thirty miles an hour had driven the steamer off her course. A dense fog over the lake made it impossible to see more than a few feet ahead, according to the captain.

Mrs. Dennis Murphy Died Very Suddenly

Mrs. Dennis Murphy, 503 Hennepin avenue, passed away at her home last evening at 8:30, death resulting from a stroke of apoplexy. Mrs. Murphy was stricken about 6 o'clock while preparing lunch and death relieved her suffering less than three hours later. The complete obituary and funeral arrangements will be announced later.

Coalition Govt. in Russia Hope of Reds

By Associated Press Leased Wire
Copenhagen, March 21.—Negotiations looking to the formation of a coalition government for Soviet Russia have been opened by Nikolai Lenin, Bolshevik premier, with leaders of the Menshevik and Social revolutionaries, says a dispatch from Reval to the Berlingske Tidende.

"The Tiger" is Home from Tiger Hunting

By Associated Press Leased Wire
Toulon, France, March 21.—Georges Clemenceau, former premier of France arrived here today from India, where he has been engaged in hunting tigers and in visiting the foothills of the Himalaya mountains. He reported on landing from the steamer Ormonde that he was in perfect health.

\$250,000 Fire Loss in Muskogee, Okla.

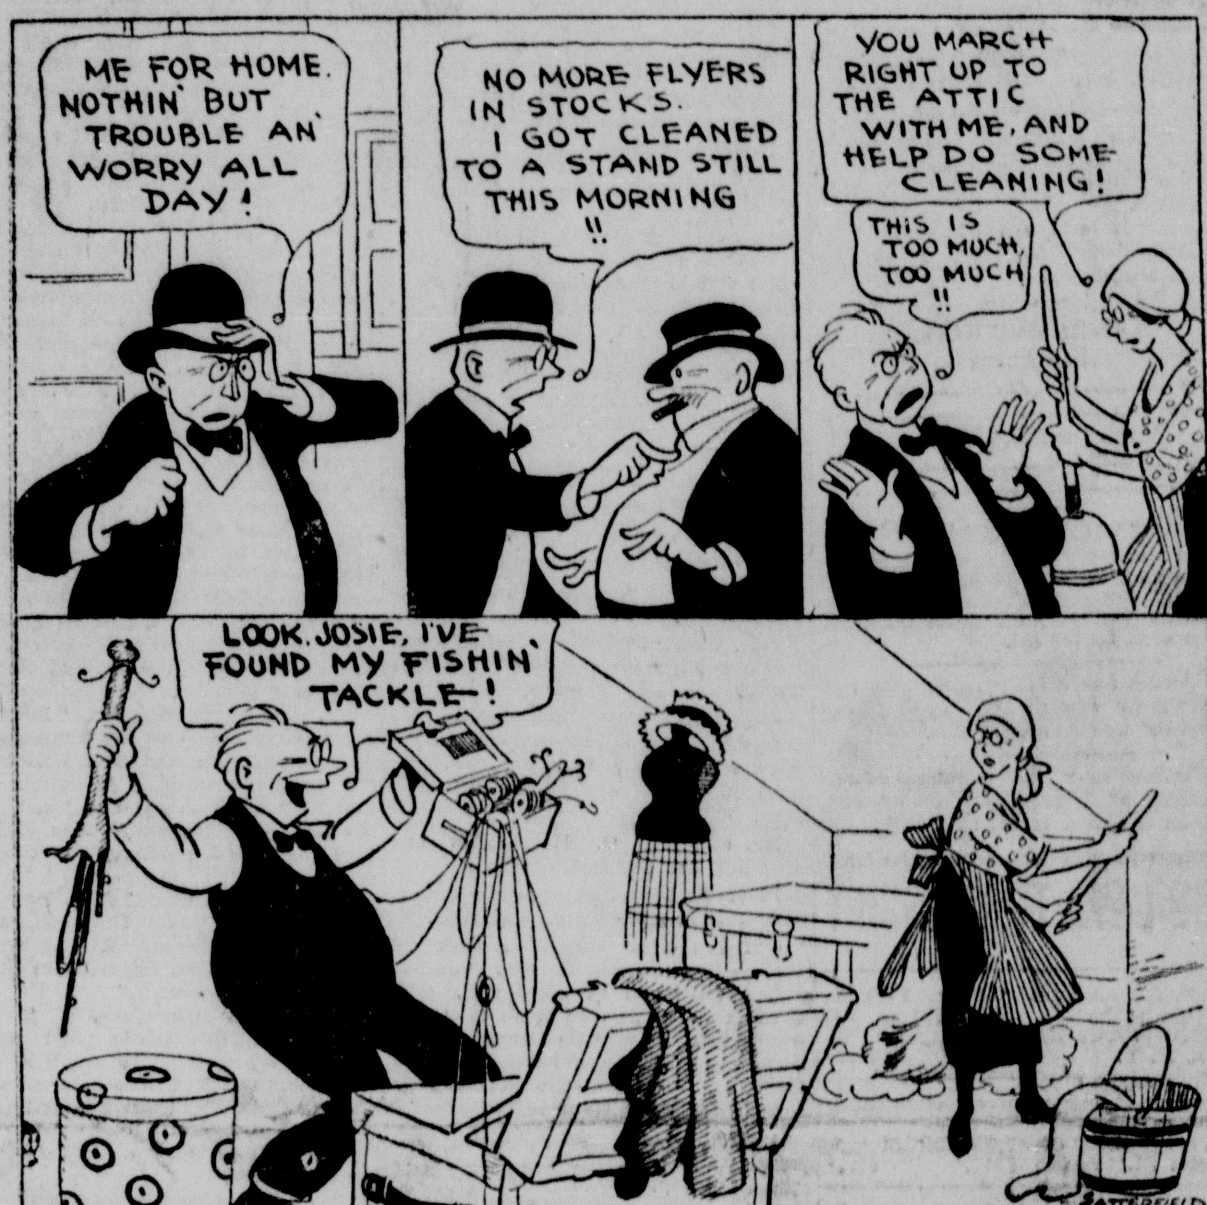

By Associated Press Leased Wire
Muskogee, Okla., March 21.—A fire in the business district here, said to have been started by lightning, was brought under control early today after one-fourth of a block had been practically destroyed. The loss is estimated at \$250,000.

Council to Receive Bids on Removal of Garbage During Year

At the regular meeting of the city council tomorrow evening, bids for the removal of garbage will be opened and considered by the commission. A number of other matters of business will be discussed at the meeting.

RESUMED DUTIES.
City Treasurer, Miss Eleanor E. Powell, resumed her duties at the city hall this morning after being confined to her home several days.

ALL IS NOT GLOOM THAT GLOOMETH

LADY GOLFERS MAY FORM ASSN. IN NO. ILLINOIS

Miss Rosanna Dement of Dixon is Agitating Such Association.

Miss Rosanna Dement, chairman of the ladies' sports pastimes committee of the Dixon Country club is launching a movement, which if successful will bring about the organization of a northern Illinois ladies' golf association. She is communicating with the chairman of sports pastimes committees of Rockford, Freeport, DeKalb, Woodstock, Polo, Sterling and Morris, which cities are asked to comprise the new body.

With the letter suggesting the organization of such a body, another plan for the holding of the first annual tournament at the Dixon Country club is suggested. It is the plan to bring teams of five ladies each from the towns comprising the association to Dixon in August for the first tournament. Wednesday and Thursday, Aug. 19 and 20 are the dates suggested in the letter for the holding of the tournament here. It is believed that Miss Dement's plan will meet with the cooperation of the chairman from the other clubs and that the organization will soon be perfected.

School Patrons Are Invited to Lecture

On Thursday evening, March 24, the High School and Grade Parent-Teacher Associations are offering the public an unusual treat. At 8 o'clock in the Assembly room of the South Side High school, Prof. J. O. Engleman, superintendent of schools in Decatur, will talk on the subject, "The Child, the Objective in School and Home." Prof. Engleman is prominent in school affairs in the state, being a member of both executive and legislative committees of the State Teachers Association. He is a fluent, well informed speaker, and all interested in the schools of Dixon should plan to hear him on Thursday evening.

Co. Supt. Speaker at Kiwanis Luncheon

Prof. L. W. Miller, county superintendent of schools will be the speaker at the regular weekly luncheon and meeting of the Dixon Kiwanis club at noon tomorrow. He will explain to the Kiwanians some of the school needs of the city and county. County Judge John E. Crabtree has the program in charge and promises a musical surprise for the club membership, which will follow the luncheon which will be served at 12:15 in the parlors of St. Luke's church.

GERMANY WON GREAT VICTORY IN VOTE IN SILESIA ON SABBATH

People of Territory in Favor of German Rule 876,000 to 389,000.

Berlin, March 21.—(By the Associated Press)—Germany won an overwhelming victory in the plebiscite held in Upper Silesia yesterday to determine the future national status of that region, according to official returns received here. Two districts were still missing at 9 o'clock this morning, but the count showed 876,000 votes had been cast for Germany and 389,000 for Poland.

Reports from Breslau, state that the plebiscite was generally without untoward incidents.

Provisional returns published by newspapers show that in Oppeln, Germany received 20,000 votes to 11,000 for Poland. In Tarnowitz the Germans cast 85 per cent of the ballots and in the town of Beuthen they cast 78 per cent. In the Beuthen country districts the vote, as published, stood Germany 59,222, Poland 62,040.

In Koenigschuelte the Germans received 32,000 and the Poles 19,351 and Kattowitz and country districts gave the Germans 72,831 and the Poles 65,187, the town of Kattowitz voting German by 93 per cent. In Hindenburg the Germans cast 36,676 votes to 31,625 by the poles while in Krossen the German vote was 33,980 to 1556 for the Poles.

Oppeln, March 21.—(By the Associated Press)—Entente forces in Upper Silesia will promptly suppress any effort on the part of the Polish army to override the decision in yesterday's plebiscite, or to anticipate the action of the council of ambassadors in Paris, General Lerond, head of the inter-allied plebiscite commission, told the Associated Press today. He said rumors that the Poles had been concentrating an army on the Silesian frontier were "wholly without foundation."

Reports that 30,000 Polish troops were marching toward the border have been current here. A motor trip along the Polish frontier showed the presence of the usual Polish sentries, but virtually no entente troops on the Silesian side of the border. It might be possible that a number of troops of civilians could suddenly cross without meeting with serious interference.

Mrs. Joseph Indig of Chicago arrived at noon to visit with her aunt, Mrs. Geo. Miller for a few days.

HAVE SCHEME TO CO-ORDINATE R. OPERATIONS

National Railway Service Agency is Proposed.

By Associated Press Leased Wire
Washington, March 21.—A plan designed to effect a saving of millions of dollars annually in the operation of the railroads of the country by co-ordination of their facilities and service agency to be erected by act of congress was presented to Chairman Cummins of the Senate Interstate Commerce committee today by the National Association of Owners of Railroad Securities. S. Davies Warfield, president of the organization, announced in presenting the plan that its adoption would be urged later at hearings before the committee.

Declaring that only "intensive economical methods" in railroad administration could prevent ultimate government operation of the roads, to be followed by government ownership, Mr. Warfield said the proposed plan not only would ensure enormous savings in operation, but would increase facilities and service and lower railroad fares and rates.

Through the creation of a national railway service, as proposed in the plan, to be a purchasing agency for cars and other equipment to be leased to the roads without profit, the public, Mr. Warfield said, would derive a "more immediate and substantial benefit" than could be obtained through the physical consolidation of the railroad properties under provisions of the transportation act which the plan is intended to supplement.

Free Stereopticon Lecture Tomorrow

On Tuesday evening Rev. Virgil Finnell, of Elgin, who has spent a number of years in public work relative to Sunday school activities, religious education, and moral and social uplift, will give a stereopticon lecture at the Church of the Brethren.

Rev. Finnell carries several sets of lectures with him, but will likely give the one entitled, "The Little Brown God and His White Imps." Church officials are anxious that all hear and see this lecture. Time, 7:45. No admission charged, only a free will offering.

NOBLES AND OWENS TRADE HOMES.
The Dr. E. B. Owens residence on the corner of Ottawa avenue and Third street and the H. T. Noble residence on the corner of Second street and Dement avenue have been exchanged by their respective owners, and the two families will move into their new homes April 1.

TO CONTEST ANY ARBITRARY CUT IN PRESENT PAY

East Federation Wants Strike Vote to Keep Roads in Line.

By Associated Press Leased Wire
New York, March 21.—The Eastern Federation of the Brotherhood of Railway & Steamship Clerks, Freight Handlers, Express & Station Employees, today sent a resolution to E. H. Fitzgerald, grand president of the brotherhood, urging him to authorize a referendum strike ballot for immediate use should the railways decline to obey the mandates of the Transportation Act of 1920.

The federation, with a membership of 85,000, also pledged its "full economic force to protect our present standards."

Railroad officials were warned they must carry out the letter and the spirit of the transportation act and that "arbitrary action of some railway officials in reducing wages undoubtedly will be the spark which will set the entire transportation system into a flame of chaos and industrial revolution."

ATTORNEY ON STAND

By Associated Press Leased Wire
Chicago, March 21.—W. W. Atterbury, vice president of the Pennsylvania Railroad, was the first witness called today when Frank P. Walsh, attorney for labor unions, resumed his questioning of railroad officials before the railroad labor board.

Mr. Atterbury, answering Mr. Walsh's questions, explained the dissolution of the labor committee of the association of railroad executives, and said the committee disbanded at his suggestion because its work was completed and because it seemed to be placing the roads in a false light.

"It apparently was causing the unions to believe that the roads were organizing nationally to fight labor," he said.

Mr. Walsh asked questions about many railroad organizations, but Mr. Atterbury disclaimed knowledge of most of them.

Mr. Atterbury was chairman of the labor committee, succeeding Carl Gray president of the Union Pacific, when the latter resigned after Mr. Atterbury's minority report opposing national boards of adjustment was adopted by the individual roads and thus became the majority report.

WANT NEXT DRY OFFICER STRONG IN ENFORCEMENT

Anti-Saloon League Lawyer Calls on Pres. Harding.

By Associated Press Leased Wire
Washington, March 21.—Wayne B. Wheeler, general counsel of the Anti-Saloon League, called on President Harding today and announced afterward that he had urged the appointment of an internal revenue commissioner, "who will stand for an honest enforcement of the prohibition law."

"I am sure the president realizes the importance of the situation," he said.

Mr. Wheeler added that he did not recommend any specific candidate nor oppose specifically any of these in the field. He indicated, however, that a number of names were mentioned in his talk and that the league would endeavor to obtain fuller information about those who seem to be prominently under consideration.

Neither the recent ruling by the Department of Justice nor proposals for further dry legislation, Mr. Wheeler declared, entered into the conference between him and the president.

Fourth Murder Case in Springfield Court

By Associated Press Leased Wire
Springfield, Ill., March 21.—Trial of Anton Yanisik, charged with murdering his divorced wife was scheduled to start in the circuit court here this afternoon. This is one of four murder trials of this session. Two have been held, resulting in penitentiary sentences, and the fourth will follow later this week. The four men indicted are all foreigners.

Rockford Defeated in Final Contest

Rockford high school basketball five winners of the district meet at Rockford, was defeated by Marion high school, in the final game of the state tournament at Urbana Saturday night, score 24 to 23.

The golden bud within the blue;
And every morning seems to say,
There's something happy on the way
And God sends love to you!"

PARTY FOR MISS McALLISTER—

An afternoon bridge party and town shower was given Thursday afternoon in Sycamore for Miss Donna McAllister to twelve young ladies by Miss Blanche Bollinger. Miss McAllister is to wed Floyd Chapman of Dixon on Saturday afternoon, March 26th, at the home of the bride's parents, Mr. and Mrs. W. M. McAllister. At 6 o'clock a three-course dinner was served. The table decorations were in evidence of St. Patrick's day. The dessert course was served on a shamrock leaf with a green flag in center. The shower of towels was prettily arranged in a white parasol inverted and elaborately trimmed in green, each parcel was wrapped and tied in green and white.

Miss McAllister has been the recipient of many pre-nuptial courtesies, being a decidedly popular and charming girl.

Mr. and Mrs. C. V. Chapman, parents of the groom and Mr. and Mrs. O. H. Martin, aunt and uncle of the bride, will be guests from Dixon at the wedding.

HELEN WAS SIX—

Helen, little daughter of Mr. and Mrs. John Gallagher, of Lincoln Way, Saturday celebrated her sixth birthday anniversary, from 2 till 5, at the home of her parents. A delightful afternoon was spent by the nine little playmates entertained by Helen. The games were enjoyed very much, the weather permitting the little folks to play out of doors. A tempting birthday luncheon was served, the pretty decorations being in pin kind white, the cake being white with pink candles, and pink flowers being used. Helen proved a delightful hostess. The little ones departed wishing her many happy returns of the day and leaving her with a number of pretty gifts.

BUYS DIXON HOME—

Mrs. Mary Feeley and her sister, Miss Julia Barrett, have sold their home at 1306 Locust street to Mr. John Wallace. Mrs. Feeley has purchased a home in Dixon and will make that city her home. Miss Barrett and her brothers will continue to make Sterling their home. Mr. Wallace is an engineer on the Northwestern on the Peoria division.—Sterling Gazette.

MRS. VIRGIL MARRIES—

Mrs. Rose Virgil, wife of the late Edwin S. Virgil, formerly of Lee Center, was married March 16th at Geneva, Ill., to Albert C. Raddo, a well known and prosperous farmer, residing in Eight township.

GUILD POSTPONED—

The meeting of the Westminster Guild to have been held tomorrow evening with Mrs. Merritt Lord, has been indefinitely postponed. The date of meeting will be announced later.

MISS IVES TO BE HOME—

Miss Josephine Ives, student at the Northwestern University will arrive Wednesday evening to spend the remainder of the week at the home of her parents, Dr. and Mrs. C. H. Ives.

HERE FROM STERLING—

Mr. and Mrs. Earle Bishop, of Sterling, were guests yesterday at the home of Mrs. Bishop's parents, Mr. and Mrs. H. J. Kenneth, on Peoria avenue.

abundance. The afternoon passed all too quickly. Mrs. Warren Durkes was awarded the high score prize and Mrs. Frank Sutterlin was awarded the progressive prize.

W. C. T. U. MEETING—

A very interesting meeting of the Woman's Christian Temperance Union, was held Friday afternoon with Mrs. Bella Morris, with nearly thirty members in attendance, and two visitors.

In the absence of the president, Mrs. Strook, the vice president, Mrs. Bennett, presided.
At the opening of the meeting, all joined heartily in singing, "All Around the World the Ribbon White Will Twine."

Mrs. Thrall led the devotionals. After the business was taken care of, this being Union Signal Day, many interesting articles from this paper were read by several members of the society.

A reading by Mrs. Missman was much enjoyed.

At the April meeting, (which will be held with Mrs. Lester Street), it was voted to have a miscellaneous shower for the W. C. T. U. Children's Home at North Rockford. Anyone wishing to contribute to this worthy cause, (though not a member of the Society) may do so.

SUCCESSFUL MASQUERADE—
The entertainment committee of the Loyola Order of Moose held a very successful old-fashioned masquerade at Moose hall on Thursday evening. Seventy-five couples were present, and everyone present spent an unusually delightful evening.

Mrs. Robert Brainerd was awarded the ladies prize and Edward Slothower captured the gentlemen's prize.
Refreshments were served and all present spent a happy evening.

MEET FOR PRACTICE—

All choir members of the Grace United Evangelical church are requested to meet for practice at the church tomorrow evening at 7:45. At this time practice will be held for the Easter music.

A PLEASANT VISIT—

Mrs. F. A. Wiegand, of Waukegan, has returned from a pleasant visit of three weeks with her daughter, Mrs. R. C. Burkett, in Chicago.

GUEST AT FATHER'S HOME—

Charles Wild, Jr., of Cedar Rapids, Ia., was a guest over the week-end at the home of his father, Charles Wild, Sr., in this city.

CHOIR REHEARSAL TUESDAY—

There will be a rehearsal of St. Paul's choir at 7:30 tomorrow evening. All members are requested to be present if possible.

DAY IN CITY—

Mrs. Phil Woolver is spending today in Chicago, purchasing goods for her millinery store.

AT F. A. WIEGAND HOME—

Miss Leah Lawson and Paul Brookner, Jr., spent the week end in Waukegan at the F. A. Wiegand home.

There are no stenography schools in Argentina.

Ah! Epsom Salts Like Lemonade Now

To get all the splendid physio-action of a dose of epsom salts without the awful taste and nausea ask for a handy package of "Epsomade Salts" which is real epsom salts combined with fruit derivatives, giving it the taste of sparkling lemonade. Try it when bilious, headachy or constipated. Costs but a few cents.

Warning! Don't just ask for "tasteless epsom salts" or you may get a soda imitation. Always ask for "Epsomade Salts" and look for the name, American Epsom Association.

Sister Mary's Kitchen

WASH DRIED FRUITS

All dried fruits should be very carefully and thoroughly washed before putting them to soak.

Let the first water in which the fruit is washed be boiling. Don't let the fruit stand in the hot water for it will soften it. Then actually wash, rub the fruit with the hands, in several clear, cold waters. When the water is quite clear let the fruit stand in water for several hours or over night and then cook it in the same water.

Menu for Tomorrow
Breakfast—Grapefruit, breakfast codfish, cornbread, coffee.
Luncheon—Split pea soup, toasted crackers, dried peach fritters, tea.

Dinner—Kaukule of veal-ragout, browned potatoes, mashed turnips, chocolate bread pudding, coffee.

My Own Recipes

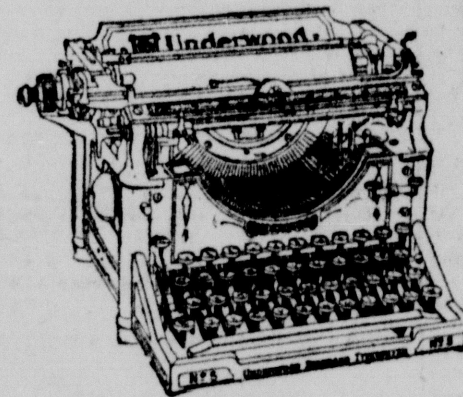

The cheaper cuts of meat may be cleverly cooked as steaks in such a fashion as to make them most acceptable. If one uses a fireless cooker the prolonged cooking does not add to the cost of fuel. Of course it does take time and care to make a palatable "ragout," but the actual money saved is more than worth the effort.

Breakfast Codfish
Three-fourths pound salt codfish, three or four slices salt pork, two tablespoons flour, two cups milk, paprika.

Soak fish over night. Drain and put on to cook in cold water bring slowly to the boiling point and simmer till tender. Drain and dry. Fry out salt pork, cooking till meat is crisp. Remove meat and fry fish in the fat till a delicate brown. Remove fish to a hot platter. Add flour to fat and when smooth stir in milk. Season with paprika and pour around fish.

Split Pea Soup.

Six cups cold water, 1 cup dried split peas, 1 onion, 1 carrot, 1/2 turnip, celery leaves, salt and pepper, 2

Admits Killing Maj. in Camp, Oct. 15, '18

Providence, R. I., March 19. — Roland R. Pothier, of Central Falls, formally admitted that he killed Major Alexander P. Cronkhite, son of Major General Adelbert Cronkhite at Camp Lewis, Wash., Oct. 25, 1918. The federal commissioner before whom he was arraigned accepted a plea of guilty to a charge of involuntary manslaughter.

Major Cronkhite, who was in command of a battalion of infantry, had marched his men from Camp for pistol practice, on the day of his death. During the noon hour while the men were at mess, the major walked some yards away behind a clump of bushes and began firing at an old tobacco tin as a target.

On his fifth shot, he turned toward some soldiers idling on the ground nearby and called out, "Did you see that shot?" The men turned toward him, when suddenly another shot was heard and they saw Major Cronkhite fall. There was a bullet wound under his right armpit.

An army court of inquiry reported that the officer had shot himself accidentally, but on the return of Major General Cronkhite from France, a new investigation was started, the body was exhumed and experts are said to have asserted that the wound could not have been self-inflicted.

"IN THE PUBLIC EYE"

THE man who expresses the desire to see as well as he "used to" should have us examine his eyes with a view to prescribing lenses that will correct his falling sight. We will correct all eye deficiencies that are not actually caused by a disease of the eye. The usual eye trouble is imperfect focal accommodation of the crystalline lens. This trouble has various ramifications that we can prescribe glasses to remedy.

Big Timber Wolf Shot Near Morris

Morris, Ill.—One of the largest timber wolves seen in Gundry county for several years has been killed by Isaac Hoge, Jr., on a farm owned by his father in Nettle Creek township.

The wolf, which has been using the poultry runs of the neighboring farms as a base of supplies, was run down by two hounds, belonging to Hoge. The wolf defeated the dogs in a short one-round contest, but was detained long enough to allow Hoge to get within gunshot range. The animal was killed by one shot.

The Height of Musical Joy

YOU get the height of musical joy when you hear a great living artist. But you get equal joy when you hear the same artist on the New Edison.

The proof of this is convincing, conclusive and concrete.

The NEW EDISON

"The Phonograph with a Soul"

Convincing—for Mr. Edison himself said in a recent interview: "The emotional effects and consequent benefits of music are well known. Through the agency of my new phonograph, I can produce the same effects as would result from the original music."

Conclusive—for you can score, on a Mood Change Chart, the effects of the New Edison's realism on you. Come in and listen to this test of realism.

Concrete—for we will show a big book of proof, that there is no difference between RE-CREATED music and the original music. This proof would be good in any court of law.

Single copies 5 cents.

THE RAILROAD WAGE CUT

The Pennsylvania Railroad's order
to cut wages, followed by a similar
announcement by the New York Central,
is regarded by some govern-
mental officials in touch with the
situation as intended mostly for psycho-
logical effect on employees and the
public.

Buried rather inconspicuously in
the resolution of the Pennsylvania's
board ordering the cut was this sig-
nificant sentence, "All procedure in
effecting such readjustment of salar-
ies and wages shall be taken in an or-
derly manner and in strict accord
with the transportation act."

Even the basis upon which reduc-
tions are ordered is taken almost bod-
ily from the transportation act. These
are the provisions that the factors to
be considered include wages paid for
similar work in other industries, cost
of living, hazards of employment, de-
gree of responsibility, skill required,
etc. Earnings of the railroads are not
part of this basis for wage ad-
justment.

"In strict accord with the transpor-
tation act" may be interpreted as
meaning through conferences with
the men, conferences with the Rail
Labor Board and exhaustive hearings,
involving much testimony and many
weeks of time.

The Rail Labor Board has very dis-
tinctly held that any railroad which
accepted the decision last July grant-
ing the rate increase cannot now un-
derstand to cut wages to meet a tem-
porary slump in business.

The fact is that the railway execu-
tives themselves are not in harmony
as to methods of procedure. A ma-
jority of their labor committee is un-
derstood to have been emphatically
opposed to the attitude and methods
pursued by President W. W. Atter-
bury in launching the campaign for
reduced wages to rail employees.

The Morgan financial influences
back of Atterbury, however, finally
swung his opponents into line of pas-
sive agreement to let him try his
hand.

The railway executives a few days
ago dissolved their labor committee.
This was the climax of internal dis-
agreement, and while it gives the Mor-
gan-Atterbury leadership freer rein
temporarily in handling the labor sit-
uation, it does not indicate any heal-
ing of the breach.

In any event the natural process
of any procedure to cut wages under the
transportation law will require at
least two or three months.

A PLEA FOR BLACK WALNUT

The Department of Agriculture has
asked the farmers of the country to
get out black walnut trees. It points
out that because of the uses to which
black walnut was put during the war,
millions of trees were sacrificed, and
says that these have not been re-
placed.

Manufacturers found that for gun
stocks nothing equalled black walnut.
And for that the trees were used and
are being used, as well as for many
other minor purposes.

Owners of black walnut trees, just
like the owners of field-glasses and
certain kinds of cameras, at the call of
the government, gave them up will-
ingly for the purposes of war.

The cameras and field glasses might
be returned; but not the walnut trees.
There are sentimental as well as
commercial reasons why this request
for a wholesome planting of walnut
trees should not fall on barren
ground.

In the future there will be a contin-
ued demand for easily worked wood,
such as walnut is; for a handsome
wood such as it is.
Who knows but what the walnut
what-not will again come into style
even if the old walnut rail fence is
gone forever?

And who is there among us who

has enjoyed that great adventure of
boyhood—walnutting—with its vis-
ible pleasure of brown-stained hands
and feet that would deny coming gen-
erations of boys a similar pleasure.

TILLING THE SOIL

Competition for individual prestige
and advancement is less keen in agri-
culture than in other industries.

High wages paid in the city are
never supplemented with a statement
concerning the liability side of the
worker's personal ledger.

The net balance is the only fair way
to compare the wage of the city and
the agriculture employee.

No activity offers the opportunity
for personal development as does agri-
culture.

The successful farmer is independ-
ent, versatile, self-reliant, adaptable;
he must be a naturalist and a business
man.

Agriculture offers opportunities for
the soils expert, the plant doctor,
health expert and specialists in prun-
ing, spraying, forestry, farm machin-
ery, recreation and markets.

National Live Stock Association
wants rates reduced so it can ship
freight, so the railroads can haul cars,
so they can give employment to their
workers and so they can stop growl-
ing about the business depression.

The meanest thief probably lives in
Lugie, Wyo. for there it was that
somebody stole baby's bottle while
mother was shopping.

CURVATURE OF THE SPINE.

Q.—Can a young married woman
who has curvature of spine safely give
birth to child without endangerment of
life and health to self or child?

A.—A mild lateral spinal curvature
has little or no effect on child-birth.
If the curvature is pronounced, and
particularly if due to rickets, there
may be marked pelvic deformity.

In severe cases of pelvic deformity
where this is not possible, the child
may often be safely delivered by op-
erative measures. In all cases of
marked pelvic deformity, either moth-
er or child has an equal chance of
safety with those under normal condi-
tions.

cerning enlarged glands or swollen

THE SWEEP, HOUSE

BY DR. WILLIAM E. BARTON

The age in which we live has great
faith in legislation. There was a time
we sought to save men from drunk-
ard's graves by the moral suasion;
now we have a prohibitory amend-
ment. For that amendment I thank
God. I do not see how any sane man
can know the curse of strong drink
and not be a fanatic in his opposition
to it. I am not a fanatic; I am al-
most sinfully reasonable about it. I
believe in all laws that will make it
easy to do right and difficult to do
wrong.

But I know very well that no such
law will in itself solve our problems.
The only effectual and permanent
way to make men sober is to
strengthen their moral nature. That
is the only way to make anybody
good.

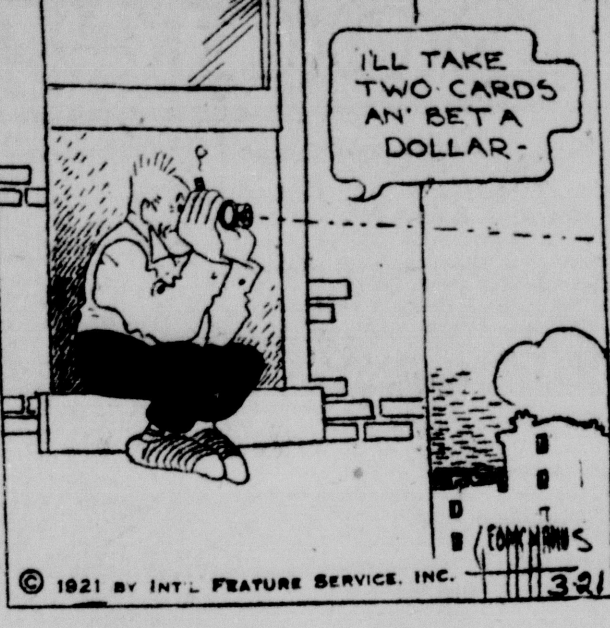

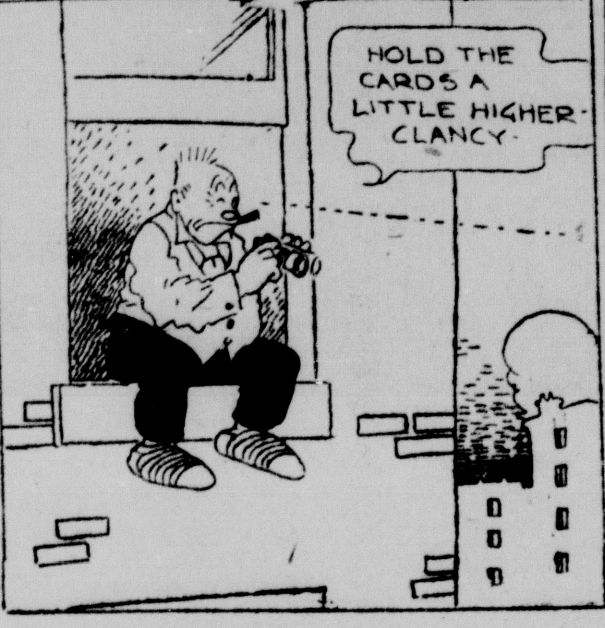

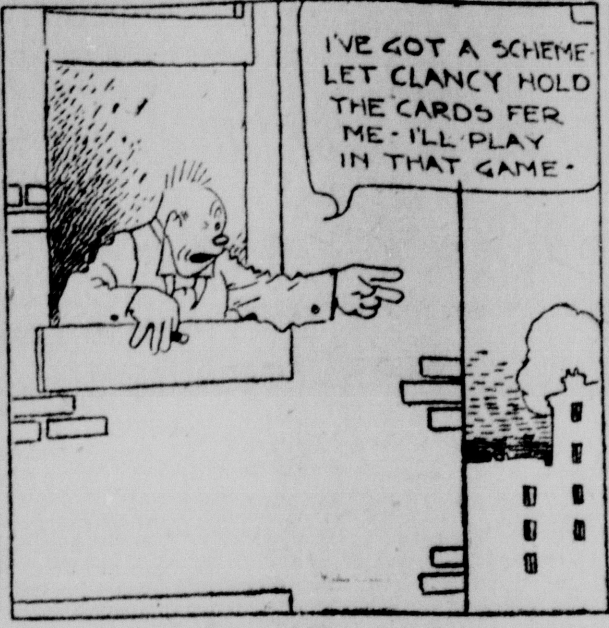

All the legislation since Hammurabi
and Moses will not make a man good;
it can only make it a little harder for
him to be bad, and a little safer for
his neighbor.

When we have passed our good
laws, we have only begun our duty.
We have still to educate and strength-
en and help to create a moral purpose
and a righteous standard of living.

There is an odd parable in the New
Testament about an unclean spirit
cast out which wanders about home-
less for a while, and then comes back
and brings seven worse spirits to live
in the swept and garnished house.

We need to fill up human life with

BRINGING UP FATHER

ADVENTURES OF THE TWINS

by Olive Roberts Barton

"THE KEEWEE-BIRD AND KICKY-KANG"

BY OLIVE ROBERTS BARTON

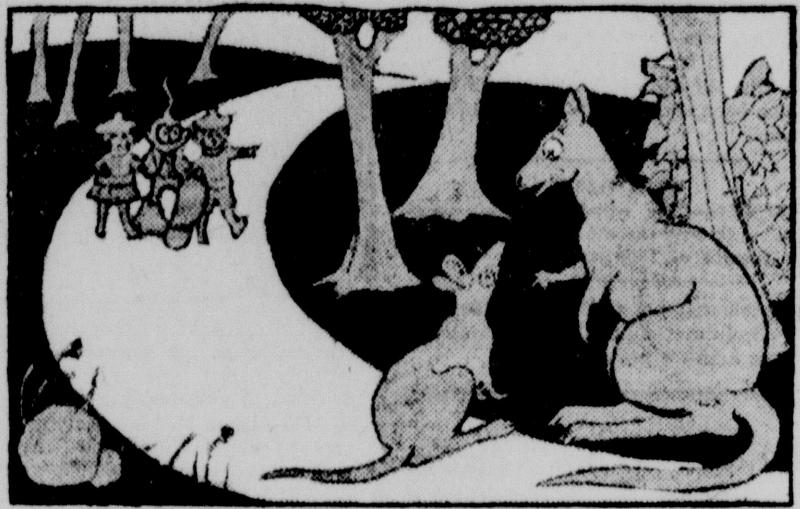

"Where does Mrs. Kangaroo live?"
asked Nick of a great keewee-bird.

"Do you know her?"

The bird pulled his long bill out of
the ground, deliberately swallowed a
big worm he had found, and then
yawned. He stopped yawning sud-
denly when he discovered who his
questioners were especially Flippety-
Flap the fairyman, who had such enor-
mous feet.

I should like a pair of shoes like that.
Handy to keep worms in—over winter
—ground frozen—nearly starve. Bill
gets dull, too! Mrs. Kangaroo lives
in that grove. One look ahead, and
a turn around. Bye! And away he
walked.

The twins and Flippety-Flap found
Mrs. Kangaroo under a eucalyptus
tree telling her son, Kicky, a story.
The eucalyptus tree is quite tall and
its leaves hang edge down, so that it
gives no shade at all. The sun was
shining in her eyes and she did not
see the approach of the travelers. She

Telling her son, Kicky, a story.

"What are they?" he asked, point-
ing, and not paying any attention to
Nick's question.

Flippety-Flap laughed and did a
little clog-dance. "Kind sir," he said,
"they're the most useful things in the
world, a combination of boats, auto-
mobiles, flying machines, wings ground
grippers, and—the rest is a secret, but
I shall trust you. They are also val-
ues in which I carry many magical
articles. I wouldn't be bothered with
pockets!"

The keewee-bird yawned again. "I
see," he nodded. "Very interesting."

glands in the neck and stomach, and
if it is painful, and a long sickness;
also if it is curable.

A.—In some cases, the swelling is
due to infection coming from decayed
teeth. In other instances, the original
cause is an infection coming through
the tonsils. The condition also fol-
lows inflammation in the ears or
about the scalp. In children, such
swollen glands are often the result of
a local tuberculous infection. In per-
sons over 40, a swollen gland in the
neck may be an indication of a cancer
on the lip or tongue. In adults there
is also an obscure condition in which
there is general swelling of the var-
ious glands about the neck.

SKIN TROUBLES.

Q.—My child has been suffering with
itch for two years. I have had her
treated by a skin specialist, and a
general practitioner without relief or
good results.

A.—A diagnosis can be made only
as a result of a careful examination
by a physician. However, itch may
always be cured if sufficient precau-
tions are taken to prevent reinfection,
and since you have had the child un-

der the care of a skin specialist, it
would seem that it must be some other
condition than itch. In young chil-
dren some other condition may be
easily confounded with itch, particu-
larly a certain form of hives.

CHILD'S SPEECH.

Q.—My baby, 4, does not talk much
yet. I have been told she is not ton-
gue-tied. Tonsils are all right. She
seems in good health, and understands
everything that is said and speaks
some, but lots of times one cannot un-
derstand what she is saying. She had
a birthmark the size of a quarter on
her forehead. Could that have any-
thing to do with it?

A.—I do think the birthmark on
your baby's forehead has any effect
on her speech. Her inability to talk
plainly may be due to some defect or
faulty position of the organs of ar-
ticulation—the teeth, lips, tongue or
palate. If there is any local condition
of this sort, it should receive the
proper treatment early before the hab-
it of defective speech becomes fixed.
There are other cases of defective
speech due to deafness or mental de-
fect.

PARALYSIS.

Q.—My child, 5, has had diphtheria
that has left some after effect. It is
in his limbs and knees. His walking
is bad.

A.—Paralysis following diphtheria
is not uncommon. The usual course
of the disease is to become gradually
worse for three or four weeks, and
then to improve. Occasionally the
paralysis is permanent, but the great
majority of cases go on to complete
recovery in the course of a few
months.

Confessions of a Bride

Copyright, 1920, by The Dixon Evening Telegraph

WHEN A WIFE DOUBTS.

Martha would have to divorce Evan,
I told myself, as I folded the paper
and placed it on the table at the head
of my husband's bed.

"Divorce!" That meant giving up
one-half of one's family and a certain
part of one's social connections! It
meant making a new place for one's
small self in a large and hostile world!
Although divorce might bring free-
dom from tyranny to some women, for
me it could only spell isolation and
desolation. I'd rather live in Bob's
house as a hand-maid than live in a
palace which he never entered!

Bob was sleeping as only the ex-
hausted can. I filled the hot water
bottles again, pulled the blankets
snuggly over his shoulders, tucked them
close about his feet, and hovered over
him as a mother over a sick child
or as a loving wife over a husband—
when they have quarreled!

I knew that I ought to go away
and permit Bob to sleep of his fati-
gue, nevertheless I longed to waken
him, just to hear him say that he loved
me, and only me.

Once I would have done just that.
Once I would have believed in the
sincerity of his reply. But as things
stood between us that morning my
reason prevailed over my emotions.

Between his kisses, even in his em-

brace, a doubt which was justified, a
detestable doubt which lurked in some
dark recess of my mind, would burst
into form.

I was suffering tortures because of
that doubt while Bob was sleeping
serenely. So differently did our quar-
rels affect us.

Bob ought to suffer, too, I told my-
self, because he had planted the seed
of my misery in my soul, because he
was responsible for the torment which
paralyzed all the natural coquetry in
me.

Most devoutly I desired to be re-
leased from my suspicions, but I knew
that I would continue to doubt, no
matter how passionately Bob might
make love to me, unless he stopped
going around with Katherine Miller.

Possibly I was petty, perhaps I was
entirely wrong, but at any rate I was
distinctly true to the impulses and
emotions of my sex and my state as
a married woman.

I loved my husband for a thousand
reasons. He was handsome, strong,
clever, the spirit of integrity, in every-
thing except love. He was recant to
no trust in the world except that
which I placed in him.

On second thought, I revised that
verdict. He was as faithful to Kath-
erine Miller as he was to me! He was
absolutely faithless to the best in him-
self. That is a penalty the polygam-
ous can never escape.

WHEN A WIFE BROODS

From butter to books, Bob demanded
the best. He was a man of fine dis-
crimination and judgment. Once I
had been flattered because he had
chosen me from the many lovely girls
he might have asked to marry him.
But since he so often had been thrown,
by fate or preference, with Katherine
Miller, my pride had tumbled.

Bob liked his own possessions just
because they were his own. There-
fore he should have preferred his wife
to all other women. But I had to
face the fact that only in love did my
husband doubt the wisdom of his
choice.

Surely he was old enough and wise
enough to know that the adoration of
two women—or more—does not en-
rich any man's existence. Rather it
destroys the unity of his life, disturbs
its harmony, divides the man's
energy and disorganized his affairs.

Of course I couldn't preach that to
my husband. By the time he discov-
ered the truth from his own experi-
ence, our happiness, which was my
whole life but only a part of his—
might have vanished as completely as
the snows of yesteryear.

Without touching my husband's
face, I followed the outline of the fine
profile on the pillow with the tip of
my finger.

I loved him—and I needed him.

Never had Bob failed to be kind
when I needed him, but I was he not
also just as kind to the tawny-haired
tiger woman?

To be sure, I didn't always need
Bob. In that I failed and gave him
his opportunity! Sometimes I felt
more like his chum and pal than like
a clinging vine and then—oh, how

often—my husband had been hurt.
He had slumped into moods and sil-
lences because I asserted my real
self formed my own opinions, let my
independence rule the hour!

Bob was often most irritated when
I was gayest and strongest.
Well, I couldn't make myself over.
I couldn't weep and depend, all of the
time, and require the support of his
strong arm, as Katherine Miller could
whenever the attitude suited her
scheming.

*Just because she was such a help-
less piece of femininity, she could
snitch my Bob for some service, and
not a soul would object! Had not the
Lorimers and the Millers been good
neighbors for years? Had not Kath-
erine made errand boys and cavaliers
of Jim and poor Benjie as well as
Bob?

Nobody ever objected—except Jane
Lorimer—and when I did, I was sub-
ject to condemnation—I was a jealous
little cat!

(To be continued.)

"Cousin Andy" Mellon, new secre-
tary, has acquired a new nickname:
"The man of the tired eye."

That excess profits tax is going to

NEWS
FROM
DIXON

SPRING FEVER HAS NOT AFFECTED ANY OF THE GYM CLASSES

Saturday Was Busy Day
at Association; 109
Worked in Gym.

Despite the fact that "spring has come" the gym at the Y is in no immediate danger of falling into decay thru lack of use. And there isn't any dust, moss or flies on the place that any one can notice; especially is this true of Saturday. The Junior B gym class broke its record of 32 by 2 Saturday as there were 35 of the kids lined up when the performance started. The Junior As were also out strong and started a new basketball tournament. Three basketball games in the afternoon and evening. Intermediate gym class and volleyball by the business men all helped to swell the total attendance in the gym for the day to 109, not including the spectators of which there were numbers. The swimming pool was even more liberally patronized and it is estimated that around 150 swimmers were taken during the day. Not bad for one day.

INTERMEDIATES IN VICTORY WITH OGLE

Several out of town teams played Dixon five Saturday and the local boys copped most of the pie. At 1 o'clock a mixed team of Junior As and Intermediates played a team from Oregon who were brought down by County Secretary Bruner of Ogle county. The first half was one of the best fights of the season, with neither side scoring till the last 30 seconds of play, when Fearer of Oregon slipped me thru the hoop for the only score of that half.

In the second session however, the Dixon boys woke up and started things moving, steadily improving as the Oregon boys, who were out of condition, slowed up and when the battle was over Dixon was credited with 15 points to Oregon's 4. Thoman and Wickey were Dixon's point makers Thoman getting 4 field goals and Wickey 3.

Dixon—Thoman, Welch, Young, Elyre, Phillips, Slothower, Wickey.
Oregon—Fearer, Banning, Carlis, Jacobson, Cronister.
Referee—Kurn.
Scorer—Forrester.
Timer—Bruner.

DIXON JUNIORS ON SHORT END OF SCORE

At 2 bells Dixon went down to defeat before the onslaught of the boys from Ashton, 27-16. The Dixon team composed of Junior Bs and As were slightly outweighed, but put up a game scrap from start to finish. Goff was Dixon star performer making 5 field goals, while Buckingham trailed with 2 and Wickey 1. Bohart and Cox did the heavy work for Ashton getting 12 baskets between them.

Dixon—Buckingham, Regan, Hilliker, Schrock, Glessner, Goff, Welch, Wickey.
Ashton—Hermert Bohart, Cox, Nelson Stephan.
Referee—Miller.
Scorer—Grover.
Timer—Elyre.

STERLING "INTER" DROP THEIR CONTEST

The Intermediates wound up this day by defeating the Sterling Intermediates on the local floor 34-25 in as lively a game as could be expected considering the weather. The score was close all the way thru and at no time could the game be considered as sewed up. Bremer lead the scoring for Dixon making 6 field goals but all the gang played a fair floor game with the exception of failing to follow in shots. Next Saturday morning the Amey Indians will probably stack up against the Intermediates on the Y floor which will be one of the hardest games the Dixon boys have on their schedule.

Dixon Sterling
Kelly..... R FGebhardt
Segner-Slothower L FClark
Bremer..... CPitney
Aschenbrenner.....
Kerz..... R GBecky
Roscerans.....
Archer-Grover..... L GPreston
Field Goals—Bremer 6, Pitney 5,
Gebhardt 4, Kelly 4, Slothower 3,
Clark 2, Kerz, Segner, Becky.
Free Throws—Bremer 3, Kerz,
Clark.
Referee—Stackpole.
Scorer—Miller.
Timer—Wickey.

JUNIORS LOST OUT TO STERLING TEAM

The Junior As were not as fortunate at the Intermediates as the Sterling Juniors warped them on the Sterling floor Saturday afternoon 17-4. The local boys claim that they were outweighed, outsize and out-basketed and the score shows that they were outplayed. Geo. Eichenberg accompanied the team but even George's coaching couldn't offset the Sterling speed and basket shooting.

Dixon Juniors—Charles, Forrest, L. Miller, Wm. Miller, Krug, S. Archer, Wetman, Capt.
Sterling Juniors—Sprinkle, Morris, Anderson, Goulding, Shoeman, Mansfield, Capt.

JUNIORS PLAY FIRST GAMES; NEW TOURNEY

JUNIOR A TOURNAMENT			
Team	Won	Lost	Pct.
Demons	1	0	1.000
Windjammers	1	0	1.000
Hot Dogs	0	1	.000
7-Comes	0	1	.000

The Juniors As opened their new tournament Saturday morning with a good gang on deck for the first games. With the coming of warm weather one would naturally think that interest in indoor sports would be on the wane but it seems to work the other way around. The first game was taken by the Demons defeating the 7-comes in an overtime session 15-13. The score at the end of the game was 13 all but at the end of an extra 5-minute period the Demons tore in with the necessary two points to win the game.

Demons—Forrest, Capt., Thoman, Lough, Forrester.
7-Comes—Krug, Capt., Charles, Wetman, Forham.
Referee—Segner.
Scorer—Wickey.

The second game went to the Windjammers who had little trouble in cooling off the Hot Dogs 11-4. The Hot Dogs were minus a player which was the main cause for their downfall.

Windjammers—Miller, Wm., Capt., Goff, Rodesch, Hofmann.
Hot Dogs—Miller, Leo, Capt. Slothower, Buckingham.
Referee—Segner.
Scorer—Wickey.

B TEAMS SLIP OVER SURPRISE AND TRIM FOES

DIVISION A	
Minor	184
Major	185
Total	372
DIVISION B	
Minor	158
Major	158
Total	316

The A teams in the volleyball tournament were stopped in their mad rush toward the chicken supper last evening when the Bs slipped a brick in the cogs and set em back 9 points. With the exception of the first game they were real honest to goodness scraps and the first wasn't so bad although the score was 15-5 with the Bs on top. The second went to the As who hit a batting rally and went out 15-13, and the third switched back to the Bs 15-12. While the A teams have a good substantial lead and their initials on the big eats, there is still a chance for the other League to win out and next week will tell the tale as the tournament will close next Friday which gives both Minors and Majors each a shot at rolling up the points.

CHEVROLET

50,000 CHEVROLET "Four-Nineties"

THE production schedule of Chevrolet "Four-Ninety" Models for the seven months from January 1st to July 31st, 1921, is fifty thousand cars.

To each retail purchaser of a new Model "Four-Ninety" car at present list prices, we will make the following cash payments—"Four-Ninety" Touring \$70; "Four-Ninety" Roadster \$70; "Four-Ninety" Light Delivery Wagon \$70; "Four-Ninety" Chassis \$70; "Four Ninety" Coupe \$100; "Four-Ninety" Sedan \$100; provided the Chevrolet Motor Companies manufacture and sell fifty thousand new Chevrolet Model "Four-Ninety" cars between January 1st, 1921, and July 31st, 1921. This offer to be subject to the terms as set forth in full in the refund certificate which will be delivered to each purchaser.

This refund represents savings in material prices under present readjusted conditions, which savings can be made, provided Chevrolet factories continue to operate on the estimated average quantity production basis.

It is in keeping with the Chevrolet policy to make the price of its product as low as quality manufacture on a large scale will permit. It is in keeping with the Chevrolet purpose of providing quick, convenient, economical transportation

at a cost within reach of those who want an automobile.

Fifty thousand cars is the minimum which Chevrolet engineers estimate will secure substantial savings in cost in manufacture. These savings will be passed on to the purchasers of these fifty thousand cars.

Each purchaser of a Model "Four-Ninety" will receive a certificate from his dealer, or from the Chevrolet retail store manager. This certificate will be redeemed as indicated on its face.

The entire plan is a straightforward business proposition presented in a straightforward way. Whether you are in the market for a new car or not, you must not fail to learn the details of this unique and simple plan. It offers to every man of sound business judgment an opportunity to take advantage of the best automobile value obtainable.

Retail purchasers of Model "Four-Ninety" cars since October 1st, 1920, will receive their certificates through their local dealers or retail stores on application to them.

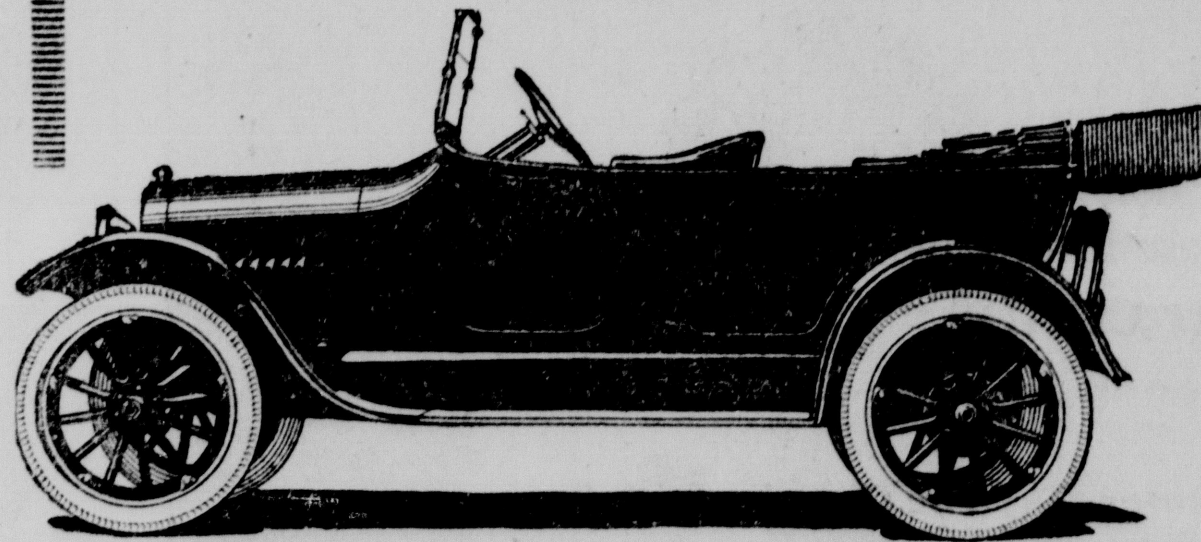

Production results will be announced not later than August 10th, 1921. Certificates will be subject to payment according to their terms, thereafter, up to September 15th, 1921.

Brief Summary of Last Night's News

By Associated Press Leased Wire
CHICAGO.—Official announcement places the toll of the blast in the Armour grain elevator here Saturday night at two known dead, and four missing. Property damage was placed at \$2,500,000. Spontaneous combustion caused the blast.

GENEVA.—Rev. Baudebenacher, who was declared dead, and whose heart ceased beating for fourteen hours, awoke. "My call has not yet come," he said.

ATHENS.—A royal decree was issued calling the classes of 1913, 1914 and 1915 to the colors to insure greater protection to the Greeks in Asia Minor, pacification of the Near East, and execution of the Turkish treaty.

PARIS.—Reports in diplomatic circles say Greece is preparing for a great offensive against Turkish Nationalists.

WASHINGTON.—Samuel Gompers launched an attack upon W. R. Hearst in the American Federationist, official organ of the A. F. of L.

charging an effort by Mr. Hearst, through his newspapers, to control the labor movement.

PARIS.—The Paris Opera Association plans to give motion picture matinees to avert insolvency. Parliament refused an increase subsidy.

INDIANAPOLIS.—A nation-wide survey of the care accorded disabled war veterans has been started by 800 Rotary clubs to determine "whether the American Legion reports are based on hysteria or upon actual facts."

NEW YORK.—A mass meeting of Friends of Freedom for India adopted a resolution favoring that country's movement for independence.

WASHINGTON.—President Harding visited for two hours among wounded soldiers in the Walter Reed hospital, telling them he wanted to see a government policy which fully recognized the services of the disabled veterans, and asking for first hand information on what would make them more comfortable.

HATTIESBURG, MISS.—A negro was taken from the county jail and lynched by a mob.

WASHINGTON.—The Anti-Saloon League will fight for the repeal of the opinion of former Attorney General Palmer on the ruling permitting doctors to prescribe beer.

BOSTON.—The prime economic need of the country today is just dealings with labor by business interests. Vice President Coolidge declared in a message to American business.

LOUISVILLE.—Financial disaster would follow a reduction of advertising rates, in the opinion of publishers and advertising executives attending meeting of the National Association of Newspaper Executives.

ARDMORE, OKLA.—Clara Smith Hamon, acquitted Thursday of the murder of Jake L. Hamon, was baptized in the First Christian church.

NEW ORLEANS.—Local surgeons were amazed by the case of Ben Hoelzel, who died Saturday after living 26 hours with his heart exposed to the view of medical attendants.

WASHINGTON.—A survey of all crop destroying insects, with the co-operation of the state authorities, is being planned by the Department of Agriculture.

WASHINGTON.—Organized labor assumes an attitude of "friendly consideration" toward the financial ventures of the Non-partisan League, Matthew Wolf, vice president of the A. F. of L. declared.

BATUM.—Turkish forces have evacuated this city, and a Soviet Georgian government has been established. A Turkish bombardment continues.

ROME.—The London reparation agreement was severely criticized in the Chamber of Deputies.

NEW YORK.—The Rockefeller Foundation announced a contribution of \$3,000,000 francs toward the 100,000.

ABE MARTIN.

Bank Cashier Sidney Gritts slipped and turned his ankle today while being backed into the vault. 'Bout the only argument we've heard against the income tax is that it makes liars of people.

600 franc budget for the University of Brussels.

WILMINGTON, DEL.—Six thousand pounds of new blend powder exploded in a local plant, demolishing the blending house. No one was in the vicinity. Damage estimated at \$25,000.

WILKESBARRE, PA.—Domestic sizes of anthracite coal will be reduced fifty cents a ton on April 1, three of the largest producers in this region announced.

HAMPTON, IA.—William "Pussyfoot" Johnson, famous prohibition lecturer, is reported seriously ill with a throat infection in a local hospital.

BERLIN.—The Reichstag passed on third reading, the disarmament bill, an enabling measure for the execution of the disarmament clauses of the peace treaty.

PEKIN.—An anti-soviet movement of Mongolians and revolutionary Russians under General Ungern-Sternberg, is reported moving on the Bolshevik forces at Chita.

BELFAST.—Serious street rioting between political factions occurred on Sunday.

BERLIN.—Disagreeable scenes followed the rendition of "Deutschland Uber Alles" by a military band while an entente commission inspected the Reichswehr forces at Ratzeburg.

DUBLIN.—Official reports say ten of the crown forces were killed and eleven injured in week-end fighting. Attacking forces lost thirteen killed and ten wounded.

ROME.—Cardinal Dougherty of Philadelphia, took possession of his titular church, St. Nereus and Achilleus.

BOSTON.—Johnny Wilson, middle-weight champion, fractured a bone in his left hand in his bout with

Mike O'Dowd at New York Thursday, physicians report.

DEL MONTE, CALIF.—George A. Harris, New York, won the third annual blemishing golf contest, displacing nine competitors.

SPORT BRIEFS

Some of the best handball players of the country are among the 35 contestants for the A. A. U. title play for which began at the Detroit Athletic club today. Entries represent clubs in St. Paul, Duluth, Los Angeles, Cleveland, Milwaukee, Chicago, New York and Detroit.

Carl Tremaine of Cleveland and Young Montreal of Providence, R. I., met tonight at Toledo in a 12 round no-decision boxing bout. They are to weigh 118 pounds at 3 o'clock.

The New York American League, which won all five of its exhibition games on a week's tour through Louisiana, returned today to the Shreveport training camp. The team resumes its games with the Brooklyn Dodgers at Alexander, La., Thursday. The New York Giants, who met the Cleveland Indians at Dallas, Texas yesterday, were at Ft. Worth today for a game with the Ft. Worth Texas League team.

Alfred Goulet, six day bicycle rider who conducted "outlaw" races at New York and in Chicago, has been placed in good standing by the Cycle Racing Association. It was announced today. The veteran cyclist has signed a two year contract to appear in events on the association's tracks in Providence, Philadelphia, Newark and New York.

Eduard Horemans, the Belgian billiard champion, arrived in New York today from the west, to begin his 4800 18.2 ball line match with Jake Schaefer, who defeated him in their last meeting.

The Scottish professional soccer team will play four games in the United States during its forthcoming tour, the Dominion Football Association's secretary announced today. The dates of the team's American appearance are July 6, 9, 13 and 16. Opponents were not named.

Dr. Emanuel Lasker and Jose Capablanca will rest tonight preparatory to resuming tomorrow night the third games of their world championship chess tournament at Havana, which was adjourned at the sixty-second move this morning. Experts who analyzed the positions of the pieces on the board this morning after the two master players had adjourned declared their belief that the game would result in a draw, as did the two first games of the tournament.

George Topercer, an infielder who wears spectacles while playing, has been obtained from the Syracuse club of the International League by the St. Louis Nationals in exchange for several players and a cash consideration, a dispatch from the training camp of the Cardinals in Orange, Texas, says.

Steve Ferrell, a pitcher, has been released to the Terre Haute club of the Three I League by the St. Louis

Americans, a dispatch from the training camp of the Browns at Bogalusa, La., today said.

Advices from the camp of the St. Louis Nationals at Orange, Texas, are that President Brendon has announced no further overtures will be made to Milton Stock, third baseman, and Jack Smith, outfielder, who are holdouts.

Winner of Bout to Meet Champ Leonard

By Associated Press Leased Wire
New York, March 21.—Rocky Kansas of Buffalo and Willie Jackson of this city, aspirants for the light-weight boxing title, will meet here tonight in a 12 round bout.

Kansas, a rugged boxer of the Nelson-Volga type, came into prominence recently through his defeat of Ritchie Mitchell, of Milwaukee, the lad who gave Champion Benny Leonard a stiff battle here.

The winner of the match tonight will challenge Leonard to a bout for the championship.

PITTSBURG MAN MAKES WONDERFUL STATEMENT

Declares Tanlac Enabled Him to Eat Better, Sleep Better and Work Better — Has Gained Thirty Pounds.

HARRY M. ALLEN
Of Pittsburgh, Pa.

"I consider Tanlac the grandest medicine in the world, for I have actually gained 30 pounds in weight since I began taking it. It has just simply filled me with new life and energy and for the first time in years I can sit down to the table and enjoy three square meals a day like other people. In fact Tanlac has made me eat better, feel better, sleep better and work better, and I guess that's all a man can expect of a medicine."

"Before I took Tanlac, I was off 25 pounds in weight and was so badly run down I was hardly able to do my work. Nothing seemed to agree with me and my food invariably soured on my stomach. I would always have an uncomfortable bloated up feeling in my stomach, and although I tried many kinds of medicines, I never got relief until I took Tanlac."

"I also suffered considerably at times from Rheumatism, but this has all disappeared. In fact, this wonderful medicine has made a new man out of me in every way. I feel years younger and can do as much work as in any day of my life."

"Of course, I am only too glad to give you my testimonial because I want other people who are suffering as I did to take this medicine and get relief."

The above remarkable statement was made by Harry M. Allen, residing at 1009 Saint Martin Street, Pittsburgh, Pa., a well known employee of the Oliver Iron & Steel Company of that city. Mr. Allen is a well known member of the United Presbyterian church and is highly respected by all who know him.

Tanlac is sold in Dixon by the Public Drug & Book Co., and by the leading druggist in every town.

TELEPHONE TALKS—NO. 18.

Many patrons of The Home Telephone Company have expressed the desire to know just how they may do their part in providing improved telephone service. This series of "Telephone Talks" is the answer.

WHY YOUR PHONE RINGS BY MISTAKE

The party who called your number may have discovered that he asked for the wrong number and hung up the receiver before you answered.

He may have changed his mind and hung up before you responded.

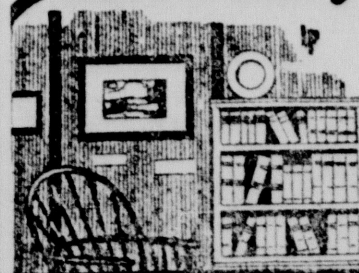

He may have waited for a while, and then hung up, thinking you weren't there.

If yours is a party line, the false ring might have been caused by another party on the same line removing the receiver while the bell is still ringing. Then, too, the operator, who is human, may have made a mistake.

THE OLD HOME TOWN

BY STANLEY

High Rent Closes Up Hinky Dink's Resort

Chicago, March 19.—The high rent wave has wiped out another Chicago landmark. It was learned today, the "Hinkout for the Boys," operated in the vicinity of Clark and Jackson streets for forty years by Alderman "Hinky Dink" Kenna.

"I'm paying \$500 a month and the new tenant, a restaurant, I understand is to pay \$1,000. I probably would have stood for some increase, but not the boost to a 'grand' (thousand dollars).

"Since prohibition went into effect I have been losing money every day but I had to have a hangout for the boys. I'm going to find some place not far away and open up a cigar store."

Alderman "Bath House John" Coughlin, Kenna's co-boss of the first ward for many years heard of the order to move May 1.

"You should have taken my advice," Coughlin told Kenna, "and opened up a drug store. You and I could have cleaned up \$50,000 or \$100,000 since prohibition went into effect."

"Yes," Kenna said, "and maybe we'd be explaining it to Judge Landis. Gwan home before I call the police and have you tossed out."

The Working Man's Exchange, also conducted by Kenna, was closed by the owner last summer following the advent of prohibition. It was the passing of one of Chicago's most famous bars where it was claimed the largest beer schooners in the city were dispensed. These were known as "tubs," and two of them were presented to the Chicago Historical Society as relics of a bygone day.

Allies Occupy Two Railroad Stations

Paris, March 19.—(By the Associated Press.)—The occupation of the Mulheim and Speldorf railway stations in the Ruhr district of Germany by French troops was simply a further step in the plan adopted by the London reparations conference. It was explained in official circles here today.

The stations command the approaches to the Rhine and their possession was necessary to make the allied occupation effective. It was added.

Does Shaving Irritate Your Skin?

Shaving, to most men, is a modern form of torture. Their razors scrape and pull. Their faces smart and burn after every stroke.

There's an easy way to end these troubles. Shave today—and every day—with

Barbasol

Barbasol fills the empty spaces between the beard stubbles. It holds each softened hair erect for a smooth, even razor stroke. The blade cuts across the base of the hair, not through them. The jump and slice, which causes the "pull," is eliminated.

Barbasol is more than a shaving preparation. It is a soothing and cooling emollient, scented with lilac to wipe up your nose that your face is having a good time.

All real Friend-to-Man druggists sell Barbasol. Use it once, and you're done with soap, brush, lather and the time-wasting rub-in forever. 35 cents a tube.

The Barbasol Co., Indianapolis

Bandit Shot, Bomb Exploded, Woman is Found Dead Today

Chicago, March 19.—A bandit was shot to death by a watchman, a house was bombed and a woman was killed in a mysterious explosion each incident happening within an hour early today.

About 4 o'clock two robbers attempted to break into the Adler Packing Company offices and one was shot dead by Carey Mason, a 34 year old negro watchman. Within a few minutes a terrific explosion set fire to a house in another part of the city and when firemen entered they found the body of Mrs. Frances Schirmer, 65 years old, stretched across a trunk.

In the negro district another bomb injured two persons, shattered windows and otherwise damaged half a dozen residences.

Peoria Coal Dealers Face Shortage Charge

Peoria, Ill., March 19.—Eleven Peoria coal dealers were indicted today by the Grand Jury on charges of short weighing their customers. It is alleged in the indictments that discrepancies ranging from 150 to 500 pounds a load was found when investigators reweighed coal delivered last winter.

George Schell, a city weigher, was also indicted in connection with the short weighing. He is charged with malfeasance of office.

British oil interests have received concessions in newly discovered oil fields in northern Greece.

Had Nervous Breakdown

Mrs. Ireland Permits us to Publish this Letter for the Benefit of Others Who Are in Her Condition

Warsaw, Missouri.—"For five years I was weakly, nervous and in a run-down condition. Then I had a nervous breakdown and doctors said I would never be well again. After I took seven bottles of Lydia E. Pinkham's Vegetable Compound I was healthier, stronger and felt better than I ever did in my life before. I can't praise the Compound enough and will recommend it to all women. You may publish this letter if you think it will help others." — Mrs. FLOYD IRELAND, R. R. 1, Warsaw, Mo.

Nervous women are both ailing and wretched, and with a nervous breakdown all joy goes out of a woman's life. It is said that the ill peculiar to women act on the nerves like a firebrand.

Lydia E. Pinkham's Vegetable Compound is successful in overcoming such conditions, and a large number of American women who were once great sufferers from nerve troubles owe their present health and comfort to it and it contains no narcotics or harmful drugs.

Prof. Osteopathic School Dropped Dead

Kirksville, Missouri, March 19.—Dr. Michael Lane, School of Osteopathy here, dropped dead in the laboratory of the institution today. He suffered a stroke of apoplexy. Dr. Lane was 45 years old, and formerly was a member of the faculty of the University of Chicago, University of Illinois, Bennett Medical College, Chicago, and of the Chicago College of Osteopathy.

ASPIRIN

Name "Bayer" on Genuine

Warning! Unless you see the name "Bayer" on package or on tablets you are not getting genuine Aspirin prescribed by physicians for twenty-one years and proved safe by millions. Take Aspirin only as told in the Bayer package for Colds, Headache, Neuralgia, Rheumatism, Earache, Toothache, Lumbago and for Pain. Handy tin boxes of twelve Bayer Tablets of Aspirin cost few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monacalceastrer of Salicylicacid.

Hot Water Each Morning Puts Roses in Your Cheeks

To look one's best and feel one's best is to enjoy an inside bath each morning food into the stomach.

Girls and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, lethargy behind a certain amount of ill-humored material in the form of a water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire

alimentary tract, before putting more food into the stomach.

Women who desire to enhance the beauty of their complexion should try this for a week and notice results.

FRECKLES AND HIS FRIENDS

Guard Your Laurels, Mr. Thurston

BY BLOSSER

CRIME WAVE IS OVER
PEAK IN ILL., STATE
DIVISION REPORTEDOfficials in Many of
Main Cities Give Their
Views.

Springfield, March 19.—The crime wave which followed the war has reached its peak in Illinois cities and is receding, a survey just completed by Illinois Division of Pardons and Paroles indicates. The survey covers every important city in the state and almost without exception reports show that crime conditions were greatly improved in 1920 over the previous year.

"While Chicago has suffered from a carnival of crime, similar to that which has swept through other large cities of the country," Will Colvin, superintendent of pardons and paroles, says in introducing the survey, "this survey made by the parole agents of the Division of Pardons and Paroles reveals that the larger cities of Illinois outside of Chicago have suffered less from crime this year than in prior years."

The survey is printed in a pamphlet on the Illinois Parole Law, giving in detail the accomplishments, statistics and data and reports on the after-care of prisoners released.

Resolutions adopted by the Illinois State's Attorneys Association and by the Crime Commission of the Chicago Chamber of Commerce, command the methods used by the division in the treatment of prisoners.

"If all our public servants functioned as conscientiously as the present Division of Pardons and Paroles there would be no need for the continued existence of the Chicago Crime Commission," the Chamber of Commerce committee declares.

In introducing the pamphlet, Superintendent Colvin points out that there has been a crime wave after every

important war in the history of the world.

"Crime conditions in America and other countries following the World War are no different than after other great wars in which people were taught to fight and kill," he says.

"Parole laws in the various states are not responsible for crimes which follow wars, although they furnish a ready vehicle for attack by unthinking people. America's present day crime problems eventually must be met in a more intelligent way.

"In order that the public may know in a general way of the operation of the Illinois parole law and its accomplishments, it has been deemed advisable by the members of the Division of Pardons and Paroles to print this pamphlet."

Survey information was obtained from chiefs of police, sheriffs and state's attorneys. In some of the cities it is reported that there have been a number of spectacular crimes, but in practically every one of them it is stated that there has been less crime during the past year than during the previous one. A great many of the officials commend the administration of the parole law, stating that in general the prisoners on parole in their communities are making good.

The cities included in the survey are as follows:

Rock Island
Moline
East Moline
Galesburg
Dixon
Sterling
Kewanee
Monmouth

Cairo
Woodstock
Peoria
Mattson
Macomb
Hushehl
Lodi
Canton
Farmington

INGROWN TOE NAIL
TURNS OUT ITSELF

A few drops of "Outgo" upon the skin surrounding the ingrowing nail reduced inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh almost over night.

"Outgo" is a harmless, antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast while it is effervescent, and furthermore, to continue this for one week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent

Catholics Refuse to
Let Cardinal Dictate

London, March 19.—Irish Catholics adopted resolutions at a mass meeting last evening protesting against the pastoral letter issued in February by Cardinal Bourne, in which the Cardinal denounced disorders in Ireland. The resolutions warned Cardinal Bourne that while dutiful Catholics will obey the church in matters relative to faith and morals, no ecclesiastical dictation or interference in political matter will be tolerated.

Body of "Drunkard's
Friend" in Mission

New York, March 19.—The body of John H. Wyburn, "the drunkard's friend," was expected to be brought back today from Clifton Springs to

lie in state in the famous old Jerry McAuley Mission, over which he presided for fifteen years. Mr. Wyburn died last Thursday on his sixty-second birthday.

Hundreds of "ex-tanks" whom Mr. Wyburn helped back to sobriety, many of them now prosperous business men, are expected to visit the dingy little mission in Water street and pay final tribute to their friend.
